Whether you plan to launch a new business, build deeper community involvement or develop new skills, finding your new purpose after retirement can add fulfillment and excitement to your retirement planning process. This post is really motivational, especially for those who dread retirement. So true!

Factor in costs with your options to balance what matters most and understand See More Events. Do you know how to deduct the cost from taxable income as well as medical and dental insurance? I've reached my goals. For sure, most definitely! This is the most dramatic shift. Like my father, many of my clients approach retirement from a place of fear.
