The existence of autonomous German, Austrian and Swiss national varieties of Standard German is now widely accepted due to the longstanding independent Austrian and Swiss nations and because of specific linguistic features of the varieties. In: Merkur 44- Law courts Evidence is given in Letzebuergesch, the counsels speak French the language of the legal code and the language of the written verdict is German F.

Muslim-Christian families in Lebanon. Considering art movements from both before and after the Second World War, our speakers discuss how this openness to new ideas influenced artistic ingenuity, as well as where it leaves art today. GSG is the product of migration movements, political, economic and religious power conflicts, and the attraction of cultural and intellectual centres over many centuries. Yarmouth: Intercultural Press.
