Also refrain from alcohol, heavy meals, and excessive amounts of stress to reduce sleep talking. So you know Talking In His Sleep about your lover Wanna bet My oh my How can this be there he goes Talking in his sleep By and by He will connive does he know He's talking in his sleep The affair okay He's corrupt What do I do what do I say I feel ashamed embarrassed fatigued Such a petty crime of sexual indiscretion At night when he lays down How I wish I could not hear the sound But I could Oh the things that he said My oh my How can this be There he goes talking in his sleep By Talking In His Sleep by He will connive does he know He's talking in his sleep Adultery that's what the call it When you're married Tell me something Why is it that the men are forgiven and the women Aren't I don't know maybe, maybe I should forgive him Maybe I'm over-reacting what do you think However, it might also be the case that sleeping kids are simply more often overreacting. I've been sleep talking since I was a little girl. As in, if you dream you are having a conversation you are sleep talking the actual conversation too? Although extremely rare, people who experience somniloquy may sometimes speak in another language.

You can share this information with your doctor to aid their diagnosis. Dear medical conditions could also cause sleep deprivation, leading to sleep talking. Submitted by Crystal on May 9, - pm.
