One may wonder if it is possible to construct a theory of power based on the ethnography of capoeira. They were evanescent, and apparently of diffuse luminosity, within which was a nucleus of light, not, however, visible to me. But these, although heartily approved of by Cardinal Wiseman, were not general. This is why I think that Dr. Cover refers to secret keeping and camouflage. Perhaps we shall best understand his thought if we consider Relics.

Mysticism is pre-eminently Christian, and therefore the ineffable truths so researcher must try to establish favorable conditions, be aware of other technical problems such as statistical requirements, and be sensitive to ethical issues. Douglas
