We often stop short of decluttering bedrooms or closets because we can easily. Good luck on your downsizing journey! For example, if you plan to start in the kitchen, your list may look like this: Discard expired items from the pantry and neatly organize what remains on the shelves Empty out the kitchen cabinets and only place the items of value back inside Clear off the countertops Sanitize the appliances interior and exterior and other surfaces in the kitchen Mop and shine the floors 2. Put everything you're keeping immediately back into the cabinet, storing the items you use most often at eye level. You also may need to stop on impulse shopping. But, unfortunately, no one Declutter Your House in a Weekend method can help with that!
