Married someone great. Want to discuss real-world problems, be involved in the most engaging discussions and hear from the journalists? But sometimes I spend the whole day sleeping or web-surfing, instead of studying.

Once the diagnosis is made and then accepted, people with autism are able to communicate. My kids cannot communicate with their father. The complex society is not suitable for autism, and also not for high functioning autism.

Married someone great. He normally doesn't like to talk about emotional issues. It causes them a great deal of stress because the rigidity of their narrow operating rules, makes them really want to correct everyone on a regular basis..... After all these years I feel I have found the answer I have been seeking.
