Anyone who does not have a male child in the family has not established a family. If we understand theology and science correctly, there will be no conflict between what theology tells us and what science tells us. Whatever savours of opposition to truth, this will be heresy, even if it be an ancient custom.

Polygamy is a cultural product that is complex, legal and cannot be easily treated nor dismissed. But if he had been pronouncing absolutely, in the words under discussion, touching the marriage of believers merely, then had he virtually given to saints a permission to marry promiscuously. Tacitus combines parallelism with variation: domus munimentis saeptae and templa muris cincta are virtually identical in construction, but the last colon of the tricolon breaks the pattern, setting aside measured and systematic exposition for a comprehensive expression of despair.

Cast in the form of a dialogue, it treats diverse topics while showcasing Virg's
