Commanders of forces operating as part of a multinational alliance or coalition military command should follow multinational doctrine and procedures ratified by the United States. The strategic and operational objectives are to protect US interests, to include preventing surprise attacks or further conflict. AssessthePlan. Fires in Support of Deep Operations Part of his regular tasking was to supplement the Marine advise and assist mission by teaching Iraqis in basic forward observer skills. The distinction between the upper- and lower-tier systems and capabilities depend on the ranges and altitude of the threat. Disruptenemycounterattacks.If we are to continue to be that combined arms force in the 21st century, we need to have artillery capabilities to match or overmatch our potential enemies.
