After the second and third drafts of The Empire Strikes Back where Lucas first introduced this point, he reviewed the new backstory he had now created: Anakin Skywalker is Ben Kenobi's brilliant student, has a child Luke but is swayed to the dark-side by the Emperor who was now a Sith and not just a politician battles Ben Kenobi on the site of a volcano and is wounded but resurrected as Darth Vader; meanwhile, Kenobi hides Luke on Tatooine while the Republic becomes the Empire and Vader has hunted down the Jedi knights.

When he went out for lunch with his then-wife Marcia, they encountered along New York. Contrary to what his uncle has told him, Luke learns that his father fought alongside Obi-Wan as a Jedi Knight until Vader, a former pupil of Obi-Wan's, turned to the dark side of the Force and murdered.
