This is probably why in a great number of cultures of the world, small effigy gods are made which sit on the kiln to protect its load and appease the gods of fire! Each lunar cycle His body would slowly swell to fullness and He would make love to the Sun in the darkness beneath the horizon.

We are talking about Wonder Woman. Abstract: Building temples in order to obtain relief from natural plagues was a common religious practice in premodern societies. Retrieved Tony O'Neill. George Thomas Clark. Light enabled man to cross the boundary between indoors and outside, between the constraints of nature and limitless possibilities, between enforced isolation and encouraged socialization. Pandora was not entirely forgotten; she lurked in the shadows that light could not reach.
