Herbert A. By this time the seat of imperial power has moved east to Constantinople and our conventional view of history tends to focus on this and the heroes and villains of dark ages western Europe.

I am only trying to protect your reputation. I don't believe in God, but I believe in the power of technology. He has written for *Technology and Culture*, *Sociological Review*, *Endeavour*, *The Journal of Popular Culture* and other periodicals, and his research has appeared in several anthologies on space technology, a topic upon which he speaks frequently.
