Sorry, in the meantime I noticed the info towards the end. It really was hard to find, as the road drops away steeply while the house is up on a hill slightly.

Sensing, perhaps, that I was a little uneasy, she talked non-stop. She stopped cars on the road, on which there were often hitchhikers. When he discovered our bread knife, he started making stabbing motions with it while looking sternly at us, before bursting out in laughter. Hitchhiking without students? Roughly 80 percent of car seating capacity currently goes unused, according to Heart of a Child. The back of the van was snowed over with white paper bags and polystyrene fast-food containers.
