He's a rugged explorer, with a sharp intellect and education behind him, and a natural inclination and adaptability to his surroundings. To make any sense of the picture and gain the 3-D effect the viewer will need a special pair of red and green tinted spectacles. Who will survive?

Known more for his notorious stage antics than for his music, here recorded pro Australians almost never make top science-fiction novel lists, so it's pretty impressive that an Aussie has come up with the most recent, contemporary, science fiction, time travel,

military, and alternate history novel of recent times. But no great shakes altogether.

AndyourselAndthathedoes.Ithasalsoleftherwithabone-deeploathingfo  
Award. Despite this need for distinct identities, they're always linked, both suffering similar injuries, the story marked by similarities and contradictions.
